BEFORE YOU READ How many continents and oceans can you name?

> Ada's Comic Diary · Holiday Special
> Family Quiz Night at our hotel in Mersin

Tonight there is a family quiz night in our hotel garden. The topic is Planet Earth! Nil and I are a team: 'The Star Sisters'. Fıstık is sleeping under our table.

1. How many continents are there? Seven: Africa, Antarctica, Asia, Australia, Europe, North America and South America. Asia is the biggest **continent**. Antarctica is the coldest, and ice covers most of it. Fun fact: Türkiye is on two continents, Asia and Europe!

2. Which is the biggest ocean? There are five oceans on Earth, and the Pacific **Ocean** is the biggest. Water covers most of our **planet**, so Earth looks blue from space. Nil knows this. She loves space!

3. Where is the Sahara? It's in Africa. The Sahara is the biggest hot **desert** in the world. It has **giant sand dunes**, and tourists there enjoy **riding a camel**.

4. What is the Great Barrier Reef? It's the biggest **coral reef** in the world, in the sea near Australia. Colourful fish and sea turtles live there. Visitors go **snorkelling** and **scuba diving**.
